

Preventing Elder Fraud

Exploiting elderly out of their life long savings and property is far more than stealing material items; it goes deeper. The **RED FLAG** warning signs that are almost always present but overlooked by the family, friends, and business associates of the elderly victim will be discussed to bring quicker awareness to the victimization.

- How to handle the problem once it is exposed
- Where to go for assistance

Speaker: **Dave Kessler** is a retired Police Officer (former Commander of the Financial Crimes Unit) with the Dekalb County Police Department in Decatur, Georgia. He has dedicated his professional life to providing education and guidance for public and private sector professionals on the topic of exploitation of the elderly, and making certain those who prey on elderly victims are punished.
