Completion Instructions

Section 1

Complete Section 1 with your credit union information.

Section 2

Two key credit union decision makers from each credit union are invited to attend a special breakfast and showing of the exhibit hall on Friday. Typically, this is the credit union CEO and Chairman of the Board. Be sure to indicate on your registration form the names of those who will attend. This is a limited seating show; therefore, only two registrants listed in Section 4, excluding guests, can be listed here.

IMPORTANT: Be sure to advise your Talking Business attendees that you have registered them for the breakfast and that guests are excluded. Tickets for the Talking Business Breakfast will be distributed at the registration desk.

Section 3

List the golfers' names and their average scores. Golf is available to registered attendees and registered guests, and must also be listed in Section 4.

Section 4

List all registrants and guests. Registration is limited to league-affiliated credit union personnel and their volunteers. Guest registration excludes credit union personnel, credit union volunteers, vendors and exhibitors.

If you have additional registrants, please include their information below or attach additional sheet with names, title, email address and guest name.

Section 5

Indicate the number of registrants, guests and golfers and total payment amount. Indicate whether you have enclosed a check or whether you would like us to debit your VolCorp account.
